

VEHICLE PARKING. No disabled vehicle, camper, motor home, commercial truck (over 3/4 ton load capacity), trailer, boat, personal watercraft, snowmobile or other recreational vehicle of any kind may be stored on any lot in open public view. No vehicles of any kind may be put up on blocks or jacks to accommodate repairs on a lot unless such repairs are done in the garage. All vehicles belonging to members of the household shall be parked in the garage or on the driveway. No vehicle shall be parked in a manner which partially or fully blocks sidewalks, intersections street or cul-de-sac access.
